Homer Watson House & Gallery announces its first Writer's Market

Kitchener, Ontario: On **Saturday June 1st, 2024**, from **11:00-4:00pm**, join Homer Watson House & Gallery as they host their first ever Writer's Market.

Words have the power to delight, inspire, provoke, comfort, and unite—as do the authors, journalists and poets who wield them. In honour of Phoebe Watson, an artist and creative writer, join fellow writers and readers for a day of literary creativity that celebrates and inspires through written and spoken word.

Whether it is an edge-of-your-seat adventure, a fascinating memoir, or a tale of true love, stories are what bring us together and shape our understanding of our world.
